

Arsh Meharwal

Change Manager

👤 Profile

As a Change Manager at Ericsson's Noida facility, I leverage my two years of experience in LLA project to drive impactful transformations. Collaborating with cross-functional teams, I ensure seamless transitions and optimize operational efficiency. My role involves implementing best practices, mitigating risks, and fostering a culture of continuous improvement in the Network. I facilitate the adoption of new processes and technologies, driving sustainable growth and innovation in a dynamic industry landscape.
